**MEMORANDUM**

TO: Intermediate School District Directors of Special Education, Transition Coordinators and Business Officials

FROM: Jacquelyn J. Thompson, Ph.D., Director  
Office of Special Education and Early Intervention Services

SUBJECT: Estimated Awards for the IDEA Part B Transition Services and Transition Coordinator Grant for FY 2007-2008

For your planning purposes, the attached chart shows your estimated award for the IDEA Part B Transition Services and Transition Coordinator Grant for FY 2007-2008. Estimated awards are based on preliminary information received from the U.S. Department of Education (USDOE). The award for the Transition Services will be reduced. The Transition Coordinator award will remain the same. (Districts may use the IDEA Special Education Flowthrough grant to support Transition Services; a program design for Transition Services would need to be included in the Special Education Flowthrough grant).

You will receive a formal Grant Award Notification from Superintendent Michael Flanagan, pending receipt of the federal grant award from USDOE, and after he has approved all of the grants. Funds will become available after review and approval of your grant application. Please note that your estimated amount could change based on the final grant award received from the USDOE.

The application will be available and ready for you to complete in the Michigan Electronic Grants System (MEGS) by May 15, 2007 (tentative date). Please keep in mind that applications will be due July 1, 2007.

If you have questions regarding your Mandated Activities Transition Services and Transition Coordinator Grant, please contact Ms. Laurie Bradley at (517) 373-2677.
